INFORMATION ABOUT THE SERVICE

Service Description

Nexgen Cloud Voice Plans are a voice telephony service. An active internet connection will be required for the Nexgen Cloud Voice service to work on. The internet service may be supplied by Nexgen Investment Group Pty Ltd (Nexgen) or by another service provider of your choice.

The handset will also require power for it to operate. Nexgen will deliver the handsets and devices to site only and not connect these to the site's infrastructure. Should you do require an on-site installation, installation fee's will apply.

Minimum Term

Nexgen Cloud Voice Plans have a minimum contract term of 36 months.
